---

Established in 1963, Axon Business Systems LLC is a subsidiary of the Mostafa Bin Abdullatif Group, one of the oldest and most respected conglomerates in the UAE. We offer consultancy, turn-key solutions and services; closely coordinating with consultants and end-users to ensure only the best. Axon is proudly associated with top-ranking global brands in Security, Office Automation and Wayfinding Solutions. Our team of trained experts endeavour that customers continue to experience a pleasant association with Axon. This is complemented by an experienced and professionally-managed service team, capable of providing 24x7 services all over the UAE.

The Mostafa Bin Abdullatif Group, established since 1924, initially focused on the trade of precious gems, namely pearls. Real estate development and trading was added to the portfolio in the early sixties. Today, the Group manages a rich and diversified portfolio of marketable securities and other assets including exclusive dealerships/distributions of world-class brands such as Braun, NCR, Chubb safes, Brand Rex, Austin Hughes, G-Hanz Electronics, Pyrotenax Cables, Gunnebo, GBC, Legamaster, Sargent & Greenleaf, ISGUS, IDEAL and Modulex.

Eighty Nine years of commitment and growing.

## Service is our Tradition (since 1963)

Axon Business Systems LLC, incorporated in Dubai in 1976 (established since 1963) is a subsidiary of the Mostafa Bin Abdullatif Investments, one of the country's oldest and most respected conglomerates that's been in business for over 82 years.

World- renowned brands, tried and tested physical/electronic security equipment, office automation machines, signage systems and mobile shelving systems, backed by an alert and experienced workforce - this is what Axon has to offer to the region's quality conscious market.

## Prestigious Brands

Very much a pioneer, the company was the first to introduce to this emerging market such names as Chubb safes, Modu-lex, GBC, IDEAL. Today, the array of partnerships in the Axon fold additionally include Gunnebo, Sargent & Greenleaf, Shinjin, Spectronics, Cassida, Todd Research, Safetell, Isgus, Legamaster, Sentriesafes, Wavetec, Add-on, Exaqtworld, Movex, Bandit, Rotary and Albert Massaad, each with their proven track record.

## Turn-key Solutions

Market demands changed with project consultants coming to the fore. With this, Axon found it best to specialize in offering turn - key solutions in Security, Mobile Shelving and Way - Finding Solutions, closely coordinating with the consultancy firms. Axon Integrated Solution has now been licensed by Department of Protective Systems - Dubai Police.

Our dedicated staff, professional to the core, is in a position to provide the necessary solutions to customers and consultants alike.

## After Sales Service

Axon has been supporting all its products since 1963 with a well trained and experienced service team, providing prompt and effective warranty and post warranty services.

Little wonder that Axon Business Systems LLC has been able to constantly widen its customer base in the local, regional and international markets. The high quality of its products, combined with the company's excellent reputation as a reliable and trustworthy business partner has helped Axon Business Systems LLC grow from strength to strength.
